Languages

The official languages of the forum are English and French. Translations will be provided in both these languages.

About Geneva

Geneva is the most international city in Europe with over 40% of its population coming from outside Switzerland from over 157 different nations. It is a worldwide centre for diplomacy and international cooperation, hosting over 200 inter-governmental and non-governmental organizations and is widely regarded as a global city. The city is also renowned for its beautiful scenery, the tranquility of Lake Geneva (Lac Lemman) and the breathtaking views of the Alps.
